

## ENVIRONMENTAL RESOURCE MANAGEMENT DEPARTMENT

### TIMELINE ON SUBMISSION OF WORK PLANS (PERMITS) TO THE SOUTH FLORIDA WATER MANAGEMENT DISTRICT (SFWMD)

#### **SUBMISSION FROM ERMD TO TRIBAL COUNCIL – Minimum 4 weeks**

- The ERMD Submittal Items Checklist and proposed project (2 complete hardcopies, signed and sealed and one in electronic format via email or CD) is received by the Hollywood Office 2 weeks before the next monthly meeting of the Seminole Water Commission (SWC)
- Plans may need to be reviewed by an engineering firm for compliance with the Compact
- Plans and drainage calculations are presented at the next SWC. Meetings are held every third Tuesday of the month.
- Upon approval of SWC, a resolution and narrative of the plans go to the next Tribal Council Agenda for approval
- Upon Tribal Council approval, the plans are submitted in a work plan to the SFWMD for review and evaluation

#### **SFWMD TIMELINE OF RECEIVED WORK PLAN – Minimum 7 weeks**

- SFWMD prefers that work plans are submitted 21 days prior to their board meetings to ensure that additional information is received
- Once received by the SFWMD, the District has 15 days to respond with additional questions
- The submittal of additional information requested by SFWMD needs to be sent in 15 days by the ERMD (If information is not fully answered, this could result in another request)

#### **TIMELINE FOR SFWMD ACTION – Minimum 3 weeks**

- 21 days after receiving the additional information, the SFWMD shall prepare staff recommendations which shall contain a recommendations which shall contain a recommendation of concurrence, or concurrence in part, concurrence with conditions, or objection to the proposed work plan, and supporting reasons.

*Please allow a minimum of 14 weeks in any project schedule for this permitting process to be completed. If you have any questions please do not hesitate to contact the Environmental Resource Management Department at 954-965-4380. Thank you.*
