 Santa Ana Pueblo, NM 87004

Thank you for choosing our Native American Protection Plan (an ARMC Cell) to provide a quote to you for Homeowners and/or Personal Property (Tenant) Coverage. Commercial or mainstream insurance agencies commonly do not venture into "Indian Country" and if they did provide coverage, the premiums would be costly. Please contact a Risk Service Representative at 800-352-3496 if you have any questions.

Definitions for Phrases Used in the Native American Protection Plan Application

Escrow Account: If your monthly mortgage payment includes a portion to cover homeowners insurance – this is an escrow account. "A written agreement, such as a deed or bond, put into the custody of a third party and not in effect until certain conditions are fulfilled by the grantee."

Fee Simple Land: Private ownership of real estate in which the owner has the right to control, use, and transfer the property at will.

Indian Country: All land within the limits of any Indian reservation under the jurisdiction of the United States Government, notwithstanding the issuance of any patent, and, including rights-of-way running through the reservation; all dependent Indian communities within the borders of the US whether within the original or subsequently acquired territory thereof, and whether within or without the limits of a state; and all Indian allotments, the Indian titles to which have not been extinguished, including rights-of-way running through the same.

Reservation: **Indian reservation** is an area of land managed by a Native American tribe under the United States Department of the Interior's Bureau of Indian Affairs. There are about 310 Indian reservations in the United States, meaning not all of the country's 550-plus recognized tribes have a reservation.

Restricted Land: Land of which the title is held by an individual Indian (such as a restricted allotment) or an Indian tribe and which can only be alienated or encumbered with the approval of the Secretary of the Interior because of limitations contained in the conveyance instrument pursuant to federal law or because of a federal law directly imposing such restriction.

Trust Land: Land of which the title is held in trust by the United States for an individual Indian (such as a trust allotment) or an Indian tribe.
